Private Events

With 360 square metres on two floors, Haimney has several options based upon your event needs.

Individual Spaces

Renting one of the spaces inside Haimney is an affordable option for smaller events, speaking engagements, team-building activities and more.

Entire Space

For larger events, or just to ensure total privacy, renting the entire space on both floors is a great option for your next event.

Bar

The soon to be completed members-only Bar Ernesto, located in the basement will be available for private functions Sunday thru Tuesday.

Catering

There are two options for catered events, utilising one of two companies who work in collaboration with Haimney:

Tapas and wine - 30€ per person
You will receive a selection of local meats, cheese, breads, and your choice of two “hot” tapas. A local wine of red and white will also be available.

Dining experience - 50€ per person
A choice of appetiser, main, dessert, plus a selection of red and white wines, served seated in your choice of rooms, depending on your space rental requirements.

We prefer to work exclusively with our two providers. However, Haimney will allow an outside caterer to work with your event, for a rate of €10 per person.
